Rules

1. The Scavenger Hunt shall be held in the fall at a time designated by the CDCC Board. Specific locations or subjects to be photographed will also be designated by the Board and referred to as Categories.
2. Members may photograph anything they wish at a designated location. At some designated locations the image must somehow identify the location. If a general subject or type of photo is designated, it must be located and photographed in DuPage or Kane County.
3. Images in each category can be either color or monochrome unless specified in the category.
4. Images in each category can be either a daylight or night shot unless specified in the category
5. Photographs must be submitted as digital images meeting the same criteria as used for DPI competition. Submissions will be submitted to a person and at a time assigned by the Board.
6. Images may be cropped and have global corrections to exposure, white balance, color etc. No local enhancements or corrections are allowed. No objects may be added or deleted i.e., wires, signs, etc. must be left in and no clouds or other objects may be added. Major photographic techniques such as double exposures, HDR, stacked focus, stitched panoramas, light painting, etc. are not allowed. Flash, lights, reflectors, etc. are allowed except where specifically prohibited such as night shots.
7. Award certificates will be presented to winners in the individual category designations, as determined by the judges, and to the overall point winner.
